CRYSTAL FIRE[®] PLUS BURNERS

Linear, Square, and Round Stainless Steel Commercial Crystal Fire[®] Plus Burners can be used for custom-built fire pits or your own outdoor fire feature to complement your landscaping or hardscaping project. All Crystal Fire[®] Plus burners are UL and ULC Listed to ANSI Z21.97-2017/CSA 2.41-2017 standard.

FEATURES:

- Commercial-grade #304 stainless steel
- Fully adjustable flame height
- Safety ignition and shutdown – will shut off connection to gas source if flame is extinguished for any reason
- “Positive Connect” offers minimal gas connections and quick installation time as most connections made in factory
- Burners above 12x64” include two valves and two control panels
- Installation should be completed by a certified gas technician
- Depending on your application, you may need less fire media than suggested/included amount. Contact OGC for further assistance.
- Comes setup for liquid propane but can be converted to natural gas using included conversion kit
- Please specify LP or NG, not field-convertible
- Includes Direct Spark Ignition (DSI) system, hose and regulator (for LP), metal flex hose, clear tempered fire glass gems, and emergency stop button
- Optional DSI safety system remote (CF-DSI-R), Bluetooth Smart App (DSI-SA), timer, other control panel configurations, and other accessories sold separately
